

Privacy Policy

We understand that privacy online is important to users of our Site. This statement governs our privacy policies with respect to those users of the Site ("Visitors") who visit without transacting business and Visitors who register to transact business on the Site and make use of the various services offered on the website (collectively, "Services") ("Authorized Customers").

"Personally Identifiable Information"

refers to any information that identifies or can be used to identify, contact, or locate the person to whom such information pertains, including, but not limited to, name, address, phone number, fax number, email address, financial profiles, social security number, and credit card information. Personally Identifiable Information does not include information that is collected anonymously (that is, without identification of the individual user) or demographic information not connected to an identified individual.

What Personally Identifiable Information is collected?

We may collect basic user profile information from all of our Visitors. We collect the following additional information from our Authorized Customers: the names, addresses, phone numbers and email addresses of Authorized Customers.

What organizations are collecting the information?

In addition to our direct collection of information, our third party service vendors (such as credit card companies, clearinghouses and banks) who may provide such services as credit and order fulfillment may collect this information from our Visitors and Authorized Customers. We do not control how these third parties use such information, but we do ask them to disclose how they use personal information provided to them from Visitors and Authorized

Customers. Some of these third parties may be intermediaries that act solely as links in the distribution chain, and do not store, retain, or use the information given to them.

How does the Site use Personally Identifiable Information?

We use Personally Identifiable Information to customize the Site, to make appropriate service offerings, and to fulfill buying and selling requests on the Site. We may email Visitors and Authorized Customers about research or purchase and selling opportunities on the Site or information related to the subject matter of the Site. We may also use Personally Identifiable Information to contact Visitors and Authorized Customers in response to specific inquiries, or to provide requested information.

With whom may the information be shared?

We may share aggregated information about our Visitors, including the demographics of our Visitors and Authorized Customers, with our affiliated agencies and third party vendors. We also offer the opportunity to "opt out" of receiving information or being contacted by us or by any agency acting on our behalf.

How is Personally Identifiable Information stored?

Personally Identifiable Information collected by us is securely stored and is not accessible to third parties or employees except for use as indicated above.

What choices are available to Visitors regarding collection, use and distribution of the information?

Visitors and Authorized Customers may opt out of receiving unsolicited information from or being contacted by us and/or our vendors and affiliated agencies by not checking the 'opt in' box on the various registration and contact forms on the website.

Are Cookies Used on the Site?

Cookies are used for a variety of reasons. We use Cookies to obtain information about the preferences of our Visitors and the services they select. We also use Cookies for security purposes to protect our Authorized Customers.

Google and third party vendors will feature Carpetland USA ads on the internet. Using cookie technology, Google will be able to serve specific ads based on a consumer's prior behavior to your website.

Consumers may opt out of Google's use of cookies by visiting the Google advertising opt out page [Google advertising opt-out page \(http://www.google.com/privacy_ads.html\)](http://www.google.com/privacy_ads.html)

How does our website use login information?

We use login information, including, but not limited to, IP addresses, ISPs, and browser types, to analyze trends, administer the Site, track a user's movement and use, and gather broad demographic information.

What partners or service providers have access to Personally Identifiable Information from Visitors and/or Authorized Customers on the Site?

We have entered into and will continue to enter into partnerships and other affiliations with a number of vendors.

Such vendors may have access to certain Personally Identifiable Information on a need to know basis for evaluating Authorized Customers for service eligibility.

Our privacy policy does not cover their collection or use of this information.

Disclosure of Personally Identifiable Information to comply with law.

We will disclose Personally Identifiable Information in order to comply with a court order or subpoena or a request from a law enforcement agency to release information. We will also disclose Personally Identifiable Information when reasonably necessary to protect the safety of our Visitors and Authorized Customers.

How does the Site keep Personally Identifiable Information secure?

All of our employees are familiar with our security policy and practices. The Personally Identifiable Information of our Visitors and Authorized Customers is only accessible to a limited number of qualified employees who are given a password in order to gain access to the information. We audit our security systems and processes on a regular basis. Sensitive information, such as credit card numbers or social security numbers, is protected by encryption protocols, in place to protect information sent over the Internet. While we take commercially reasonable measures to maintain a secure site, electronic communications and databases are subject to errors, tampering and break-ins, and we cannot guarantee or warrant that such events will not take place and we will not be liable to Visitors or Authorized Customers for any such occurrences.

How can Visitors correct any inaccuracies in Personally Identifiable Information?

Visitors and Authorized Customers may contact us to update Personally Identifiable Information about them or to correct any inaccuracies by emailing us at support@creatingyourspace.com

Can a Visitor delete or deactivate Personally Identifiable Information collected by the Site?

We provide Visitors and Authorized Customers with a mechanism to delete/deactivate Personally Identifiable Information from the Site's database by contacting support@creatingyourspace.com. However, because of backups and records of deletions, it may be impossible to delete a Visitor's entry without retaining some residual information. An individual who requests to have Personally Identifiable Information deactivated will have this information functionally deleted, and we will not sell, transfer, or use Personally Identifiable Information relating to that individual in any way moving forward.
